

*Many Boston communities are challenged by addiction, violence, poverty and pervasive racism.*

## **Resilient Communities...**

*are capable of rebounding from these daily challenges...*

*promote action that is inclusive, compassionate and collaborative...*

*and can enhance their well-being through growth in the face of community trauma.*

# **The Social Resilience Model**

# **WORKSHOP**

A 2-hour workshop featuring a practical model for building sustainable community resilience. Plus, the opportunity to engage with participants and discuss its use in Boston's neighborhoods.

Limited seating, please RSVP to Jamiah Tappin at [jtappin@hria.org](mailto:jtappin@hria.org).

Refreshments will be provided.

With experts Laurie Leitch, PhD, and Loree Sutton, MD.

5 minute walk from Dudley Station. Parking also available.

**Wednesday, October 30<sup>th</sup>, 5:30pm-8pm**  
**Haley House Bakery Café**
