

COMMUNITY ENGAGEMENT AND MEMBERSHIP COMMITTEE

HEALTHY AFFORDABLE FOODS

WHEN

Thursday, April 23th 2015

6pm - 8pm

WHERE

Codman Square Library

690 Washington Street, Dorchester, MA 02124

SESSION 4: HEALTHY AFFORDABLE FOODS Are you interested in learning about food security, food access, the systems that act as barriers to health equity, and how to combat them? Do you want to learn how to own a garden plot, and basic skills about how to be a great gardener? Come to our meeting and hear from Boston Natural Areas Network about these topics and more! **FREE EVENT. DINNER PROVIDED.**

www.bostonalliance.org

BACH is a partnership of neighborhood coalitions, hospitals, nonprofits and community-based organizations, health centers, government agencies, and residents.

Community Learning Opportunities

CEMC's mission is to diversify community partnerships and increase resident involvement in BACH's advocacy and health planning through education, communication, and collaboration that support healthy communities. CEMC provides educational opportunities for residents, coalitions, and organizations about community health, health equity, and systemic racism.
