

2015-2016 Priorities for Healthy Places

- Secure financing for the **Massachusetts Food Trust Program** to increase access to **healthy foods**
- Protect state funding for the **Mass in Motion** initiative
- Implement the **Complete Streets Funding Program**
- Pass legislation to encourage shared use of school recreational facilities to promote **physical activity** during non-school hours

Additional Priorities:

Support adequate funding for **public transit, walking, and biking**

Establish a **Healthy Incentives Program (HIP)** to help SNAP recipients access fruits and vegetables

Protect access to the **Supplemental Nutrition Assistance Program (SNAP)**

Pass legislation for comprehensive zoning reform that advances **healthy community design**

A project of:

Act FRESH: A statewide coalition working for healthier, more vibrant communities for everyone in Massachusetts

Act FRESH: Changing policies and systems for healthy eating and active living
