

# PASSPORT TO PUBLIC HEALTH

Grab your passport and get ready to learn about issues affecting our community. Join Boston Alliance for Community Health, Boston Public Health Commission and our community partners in a series of workshops across Boston neighborhoods. *This month we are in East Boston!*

## Stop #2: Survivors, Supporters and Shelters

Thursday, February 25<sup>th</sup>, 6 – 8 pm, East Boston Social Center, 68 Central Square, East Boston

Join us for an engaging panel discussion about the complexities of domestic violence. We will be joined by representatives from Greater Boston Legal Services and community based organizations focused on support services to learn about the legal, mental health, and safety components of domestic violence. Panelists will also discuss ways to support victims and the specific challenges in the LGBTQ community. All attendees will receive a legal services resource guide from GBLS. **FREE EVENT. DINNER PROVIDED. RAFFLE PRIZES.**
