

Boston Alliance for Community Health

Become an Ambassador!

What is it?

This program aims to:

- Connect Boston residents with organizations in their neighborhoods
- Raise awareness on public policy work directly affecting their community
- Encourage resident participation in advocacy efforts related to community health improvement

Who are Ambassadors?

Residents of all ages who are already actively engaged in their neighborhoods & able to connect with and mobilize their neighbors to take action on social justice and public health policy issues

Ambassadors Must...

- Have regular access to email & social media to assist BACH in outreach support
- Live in *East Boston, Roxbury/Mission Hill, South End, Jamaica Plain or Dorchester*

Awesome Benefits!

- Stipend of up to \$500 (dependent on engagement & recruitment)!
- Free leadership & educational training to enhance networks and skills!
- Opportunity to increase engagement in your community's health and well-being!
